Speaker Bio-sketch

Speaker Name: Tariq M. Awan, DO

Presentation Title: Groin Pain of Athletes

Lecture Day & Time: 3/24/2022 at 10:30 am

Tariq M. Awan, DO is a double board-certified family and sports medicine physician with a special focus in sports medicine. He completed his residency in family medicine at Henry Ford Hospital in Detroit where he served as Chief Resident, and went on to complete fellowship training in primary care sports medicine at the Mayo Clinic in Jacksonville.

Dr. Awan is highly experienced in providing non-operative orthopaedic care ranging from recreational to professional athletes. Clinically, he treats multiple musculoskeletal conditions and sports injuries of the extremities and pelvis in adolescents and adults. He has a particular clinical interest in chronic tendon disorders, osteoarthritis, musculoskeletal ultrasound for interventional procedures, and the use of cell based therapy/platelet rich plasma for the treatment of musculoskeletal problems and acute sports injuries.

Dr. Awan has also been active at the national level in teaching musculoskeletal ultrasound. He has served as a team physician for both the University of Michigan's men's hockey team and the NHL's Detroit Red Wings. Currently he is the head team medical physician for the NBA's Orlando Magic.
